Deposits are non-refundable.

The purchase price of puppy or adult dog is \$ _____

Shipping is \$335.00. Total Due is \$ _____.

Monies are non-refundable.

This puppy or adult dog is being sold with Limited Registration or Full Registration as defined by AKC (American Kennel Club).

Buyers of dogs sold with limited registration will be required to sign a **spay/neuter contract**. The registration papers will be released to the Buyer after the spay/neuter contract requirements have been met.

The Buyer must have paid in full for the puppy or adult dog within 7 days prior to shipping. Paid in full indicates that all shipping charges and holding fees have been paid. If the puppy or adult dog is not being shipped, the Buyer must bring the cash balance at the time of pick-up unless the balance has already been paid in full by an

agreed upon method. If these requirements are not met, the named dog will be put back on the market for sale and listed as “available”.

If the Buyer cannot pick up the dog at the designated ready- for- shipping date, the Buyer will be charged a \$10 per day holding fee. A dog will be held for a maximum of 7 days past his ready-to-ship date. After 7 days, the puppy will no longer be held and will be considered an "available" puppy and subject to sale.

Local buyers will have 3 days to pick up a puppy past his ready date. After 3 days, there is a \$10 per day holding fee for a maximum of 7 days. If the puppy is not picked up on the designated date, the puppy will no longer be held and will be considered an "available" puppy and subject to sale.

The Seller reserves the right of first refusal should the Buyer choose to place the puppy into a different home.

Buyer agrees that no charge backs will be filed through credit card companies or PayPal transactions for any reason. The Buyer will work directly with the Seller to resolve any conflicts.
